

1:A
Advent

A person in dark winter gear is seen from behind, skiing through a deep snowdrift in a forest. The trees are bare and their branches are silhouetted against a grey, overcast sky. The scene is captured from a low angle, looking up at the skier.

Det snöade rejält idag. Vi hoppade
över dagens tänkta skidpass. När
jag tittade ut i parken så var där
en fantast som skavde runt
runt.....

A person wearing a dark winter jacket with a fur-lined hood, green snow pants, and a patterned beanie stands in the center of a snow-covered street. The street is lined with traditional wooden buildings, some with snow on their roofs. Festive decorations, including a large illuminated star and garlands of lights, are strung across the street. The scene is set during a winter festival, likely a Christmas market, in a historic town.
