Fortfarande ljust på himlen när jag kom ut klockan 17.15.

A photograph of two Mandarin ducks swimming in a pond. The ducks are highly colorful, with iridescent green heads, orange-brown bodies, and white and black markings. They are swimming towards the right of the frame. The water is rippled and reflects light.

**Eric träffade två Mandarinänder idag.
Fantastiskt Vackra!

A woman is lying down, likely in a spa or treatment room. She has a light-colored towel wrapped around her head, covering her hair. Her eyes are closed, and she has white, crescent-shaped eye patches applied to her eyelids. Her skin appears slightly red and moist, suggesting a recent facial treatment. She is wearing a white towel around her chest. The background shows a tiled wall and a dark metal frame.
